## Who we are

Located within Discovery United Methodist Church in Hoover, Alabama, *Discovery Days Preschool* serves Infants starting at four months through pre-k. We are committed to helping your child grow spiritually, physically, socially, and academically in a Loving Christian environment. Our learning activities, materials, and teaching practices are developmentally appropriate and designed to build a love of learning and a foundation for success in school years ahead. We invite you to become a member of the DDP family!

-  Our theme-based curriculum supports teaching phonics while encouraging play-based learning.
-  Chapel time teaches an understanding of how much God loves and blesses them. Bible stories, songs, and prayer are used to teach solid Christian values.
-  Children participate in weekly Yoga, Spanish and STEM classes
-  Teachers are certified in first aid and CPR.
-  Families with more than one child enrolled receive a 10% discount on the oldest child.
-  To assure the well being of all of our children we maintain DHR child to teacher ratios.
-  We utilize a two-level security entry system. Exterior doors are locked throughout the day allowing access with scan cards assigned by family. The interior hall doors require a keypad code entry unique to each family.
