## Who we are

Located within Discovery United Methodist Church in Hoover, Alabama, *Discovery Days Preschool* serves Infants starting at four months through pre-k. We are committed to helping your child grow spiritually, physically, socially, and academically in a Loving Christian environment. Our learning activities, materials, and teaching practices are developmentally appropriate and designed to build a love of learning and a foundation for success in school years ahead. We invite you to become a member of the DDP family!

-  Our theme-based curriculum supports teaching phonics while encouraging play-based learning.
-  3 year olds and Pre-K children receive weekly classes with hands on instruction from *Magic City STEM*—science, technology engineering and mathematics .
-  Chapel time teaches an understanding of how much God loves and blesses them. Bible stories, songs, and prayer are used to teach solid Christian values.
-  Children participate in weekly Yoga and Spanish classes
-  Teachers are certified in first aid and CPR.
-  Families with more than one child enrolled receive a 10% discount on the oldest child.
-  To assure the well being of all of our children we maintain DHR child to teacher ratios.
-  We utilize a two-level security entry system. Exterior doors are locked throughout the day and require entry to be granted via cameras in the church or preschool office. Someone will greet you at the sign-in desk and escort your child to their classroom.

**We follow the Hoover City school system calendar but offer camps during holidays & spring break for an extra fee.**
